

Weather and Air Quality Policy

Safety always comes first!

All camps and lessons run rain or shine. We do not refund or credit for classes missed by choice due to weather. All children should come to camp with weather-appropriate clothing. To participate, athletes must wear running shoes. Boots, sandals and slip-on shoes are not permitted. We encourage you to consider your child's specific situation when deciding whether to attend camp on days with inclement weather.

Please be aware that we review air quality conditions on a regular basis and adjust camp activities as needed. In the rare circumstance when weather and/or air quality advisories identify that the conditions are dangerous for reasonable outdoor activities, we reserve the right to cancel the day of camp in the best interest of athletes based on the recommended guidelines from Canadian health agencies. A cancellation email will be sent via email prior to the start of camp. OnTrack Athletics will provide a prorated refund for any day that is cancelled, less a \$25 facility and administration fee.
